Notification

This is to inform that **Mr. Saif Mahmood Pannu** has resigned from the office of Deputy secretary OIC North America.

Reason of his resignation is in the larger interest of PTI Canada as stated by him.

“It was an honor to work with you, however, as I am not able to remain a neutral body during this upcoming PTI election - I am having to serve this resignation. As you know I was a part of the Insaf group in Canada, and will have to support them during this upcoming election therefore must resign to ensure I am not violating any part of our party constitution”.

I wish good luck to Mr. Saif Pannu for his commitment energy and effort to enhance the reach of PTI Canada among the diaspora. Mr. Saif Pannu is an outstanding person, I have enjoyed a dignified and trustworthy relationship. Considering PTI Canada party activity in coming months, I respect his gesture of leaving this office of OIC and entering the contest with his team mates in Canada PTI.

Deputy Secretary OIC North America would be notified soon through a separate notification.
